

KANCIL SCIENCE COMPETITION 2023

Kancil Science Competition is an annual competition for primary, secondary and pre-university students that aims to challenge students' science knowledge through critical thinking, problem-solving, and general scientific knowledge. 56,000+ students from 3000+ schools have participated in this competition since 2018. This competition also is a platform for students to be selected in the national team and participate in International Junior Science Olympiad (IJSO) 2023.
