

## KANCIL SCIENCE COMPETITION 2025

Kancil Science Competition is an annual competition for primary, secondary and pre-university students that aims to challenge students' science knowledge through critical thinking, problem-solving, and general scientific knowledge. About 100,000 students from almost 4,500 schools have participated in this competition since 2018. This competition also is a platform for students to be selected in the national team and participate in the prestigious International Junior Science Olympiad (IJSO) 2025 that will be hosted in Russia.
